## 20 June 1973

Bill:

The Psychological Services paper is ready to go back to the HS for final editing. I've done my nitpicking chore, as the clips indicate, and the HS can add theirs to mine before the paper goes back to PSS for correction, then to Dr. Tietjen for signature, and then back to the HS for publication.

Two additional copies of each of the visual aids
in the paper will be needed by the HS at the time of
publication. has these and can supply them
at that time.
I'm sending along to you the correspondence on the
PSS paper you may want it for your files.
